

This exploded view diagram illustrates the assembly of a microwave oven door. The main assembly shows the door (1) with a handle (2) and a hinge mechanism (3, 4, 5). The door is shown in an open position, revealing the internal components: a fan (6) with a motor (6A), a fan guard (8), and a door latch (9). The door is shown being attached to the microwave body (10). The diagram includes several callouts: 1 (door), 2 (handle), 3 (hinge pin), 4 (hinge bracket), 5 (hinge plate), 6 (fan), 6A (fan motor), 7 (fan guard), 8 (fan guard), 9 (door latch), 10 (microwave body), 11 (door latch), 12 (door latch), 13 (door latch), 14 (door latch), 15 (door latch), 16 (door latch), 17 (door latch).
