

### White Knight Condenser Dryer - Exploded View 3

This exploded view diagram illustrates the assembly of the condenser and motor components for the White Knight Condenser Dryer. The main body of the dryer is shown in a perspective view, with the condenser unit (153) and motor (557) positioned at the bottom right. A flexible hose (169) connects the condenser to the motor. Above the main body, a long metal bracket (417) is shown with a screw (418) and a pin (419) for mounting. A small rectangular component (232) is also shown near the top of the main body. The diagram includes the following part numbers:

- 418
- 417
- 419
- 232
- 153
- 169
- 557
